

Need an NHS dentist?

What to do if you would like regular dental care or need urgent dental treatment

There is a single phonenumber in Devon, Cornwall and Isles of Scilly if you would like to see an NHS dentist.

This might be because you want to sign up with a practice for regular check-ups and care. Or you might need urgent treatment.

The number for both is available from 7.30am until 10.30pm.

Tel: **03330 063 300** (local call charges apply)

You can also get help in finding a dentist for routine care by emailing:

AccessDental.Helpline@nhs.net

NHS treatment is free if you are under 18; under 19 and in full-time education; pregnant; or receiving certain benefits. Normal charges apply for other patients.
